VALUE ADDED SERVICES

ANNUAL MEWP INSPECTIONS

Thompson Rents can perform annual inspections on any of your aerial equipment. On site or at any of our Thompson Rents locations. Having your machines inspected annually, ensures that your employees are operating safe equipment and helps you avoid OSHA fines associated with using uninspected and unsafe machinery.

ANNUAL CRANE INSPECTIONS

Thompson Rents has certified crane inspectors. We can help you keep your cranes in compliance with safety guidelines. On site or at any of our Thompson Rents locations. We inspect Carry Deck Cranes, Rough Terrain Cranes and Boom Truck Cranes

OPERATOR TRAINING

Thompson Rents offers operator training to keep your operators in compliance when operating aerial lift equipment, extended reach telehandlers and forklifts. OSHA requires operators to be trained. Training your operators helps eliminate jobsite injuries, maintenance issues and avoids major OSHA violations and fines.
